Good Evening Caroline,

Hope you are well.

I have been notified that the STNC has now been granted \$5,000 of emergency funds to allocate to COVID-19 emergency services. I am once again

reaching out to you to find out if you have any updated information on where I could purchase emergency supplies in order to donate them on behalf of the Sunland-Tujunga Neighborhood Council.

I did find 100 face masks in our emergency kits yesterday and those masks will be delivered to one of the COVID-19 Medical Supply Donation Centers tomorrow morning.

Looking forward to hearing from you.

Sincerely,

A thick black horizontal line redacting the signature.

Item #3 - Response:

Point of Order does not close debate. Point of Order needs to be followed by a procedural fault, which supports the chair by correcting the fault. Power Over is what happen at the Sept. 9, 2020 meeting. And yes I made a Point of Parliamentary Inquiry from our Parliamentarian who advised me that I did not have to recognize the board member.

I am currently looking to fill the position of Parliamentarian to advise me in Robert's Rules during our meetings.

Item #4 - Response:

This is a libelous statement on behalf of the censure authors...

July 23, 2020. - Teresa Lamb called me to ask if Congressman Schiff could come to our STNC meeting to give a congressional update on COVID-19. This was

followed up by an email from Teresa Lamb to have the congressman attend our October STNC meeting.

August 7, 2020 - I emailed Schiff's office to reschedule his STNC appearance until November 2020 so that there would be no appearance of electioneering. (Please see attached email screen shot). Our secretary, Cindy Cleghorn, was cc'd in these emails and was aware of my intention to invite the congressman but I would not request an item to be put on the agenda without confirmation from the speaker first.

September 2, 2020 - Schiff's campaign manager called me to tell me that the Congressman would not be doing any other debates other than one scheduled with the League of Women's Voters. Not exceptions.

Good afternoon Emilie,

I am writing to ask if it is possible to reschedule the Congressman's NC visit with us until November 2020? It has come to my attention by some concerned constituents that there is an appearance of possible electioneering. I do not want any attention taken away from our Congressman Adam Schiff's intention to relay his clear message of a congressional COVID-19 update.

Please accept my apologies.

...

Thank you.

Item #5 - Response:

This item is being discussed in our Bylaws Committee...

As per our Bylaws on page 20.

ARTICLE XII PARLIAMENTARY AUTHORITY

...The President may appoint an unbiased parliamentarian. The Parliamentarian shall advise the President on parliamentary rules.

This Bylaw was discussed extensively at our Bylaws Committee and our Parliamentarian spoke to the entire board on this particular item. It was 100% transparent. The Bylaws Committee and STNC Board voted unanimously to pass our Bylaws. The Bylaw does not say that there needs to be discussion by the Board and confirm the appointment of the parliamentarian. If the language needs to be changed it will need to happen during the next board's term.

Thank you.
