

Sunland-Tujunga Community Tree Watering Event

Saturday, September 11, 2021

9:00 – 11 a.m.

Dear Community Member,

We are currently in a serious drought and the trees along Foothill Boulevard could use our help. Several members of the community have decided to come together to water the trees along a one-mile section of Foothill Boulevard between Ralphs and Von's on Saturday, Sept. 11, 2021 from 9:00 a.m. – 11 a.m. We are asking each volunteer to commit to watering one or more trees on this date.

Tree assignments will be handed out to each volunteer outside the **Hub Church** which is in the parking lot by Berkshire Hathaway HomeServices/Crest Real Estate, **8307 Foothill Blvd., Sunland, CA 91040**. We hope to water all 150 trees on this one-mile stretch (excluding Sunland Park) on the morning of Saturday, September 11, 2021.

If you plan to join us, please bring a watering can and 5-gallons of water. (You can bring a 5-gallon container, 2, 2.5 gallon containers or five, 1-gallon containers to refill your watering can). Five gallons of water will feed each tree for approximately two weeks. If you have a fluorescent vest, you should wear it. All trees are on the sidewalks and in some spots, there is a lot of traffic. We are also asking the business owners along Foothill to let volunteers refill their watering cans at least once so more trees can be watered. We hope to see you at this **Community-Wide Event!**
