## Basic Income Guaranteed: L.A. Economic Assistance Pilot

The City of Los Angeles has created **BIG:LEAP**, the largest Guaranteed Basic Income pilot program in America, leading the nation in bold initiatives aimed at confronting poverty.

An estimated 3,000 applicants will be chosen at random to receive \$1,000/month for one year. Qualifying individuals will receive regular, direct cash payments. There are no restrictions on how the money can be spent,

## PROGRAM DESIGN

Approximately 6,500 applicants will be randomly selected by the Center of Guaranteed Income Research at the University of Pennsylvania. An estimated 3,000 applicants will be selected to receive a no-strings-attached \$1,000 deposit for 12 months. Roughly 3,500 applicants will be invited to participate in surveys, but will not receive a monthly cash deposit.
