To whom it may concern:

I hope this letter finds you well. **We are writing to invite you to a community meeting to be held on April 7, 2016 at 5:30pm at Sunland-Tujunga City Hall 7747 Foothill Blvd. Tujunga, CA 91042.** This community meeting is regarding a proposed mural project at Howard Finn Park Community Garden 7747 Foothill Blvd. The mural painting is scheduled to take place on April 16, 2016.

The mural is part of larger community project to help revitalize Howard Finn Park Community Garden. Families and members from Sunland-Tujunga community will play a central role in the design and implementation of the mural, with the guidance of a professional artist. We plan to incorporate themes of recycling and sustainability. This project can be a benefit to your community in that it will serve as a deterrent for graffiti. Recology Los Angeles has committed to maintaining the mural for at least 2 years, including cleaning up any graffiti that may be painted onto the mural.

We have enclosed a mock up of the mural created by the artist. We hope you can make the meeting on April 7, but it is not necessary under City of Los Angeles regulations.

You may contact me with any questions or concerns at rzaragoza@recology.com or (818) 319-3705. You can find additional information about the artist at www.kristysandovalart.com. Thank you so much for your time and consideration.

Sincerely,

Ruben Zaragoza
